SUBJECT INDEX

	Page
Albendazole in opisthorchiasis	44
Albendazole in opisthorchiasis viverrini infection	389
Anaemia, hookworm and zinc	206
Ancylostoma ceylanicum, haemolytic effects	129
Anopheles balabacensis, insecticide susceptibility	104
Anopheles barbirostris infection in *Brugia malayi*	135
Anopheles, cytogenetic studies	536
Anopheles dirus, *Plasmodium falciparum* infection	228
Anopheles species complexes in Thailand	536
Antimicrobial resistance in *Escherichia coli*	37
Ascariasis, infection rates and seasonal variation	394
Bacillus thuringiensis	422
Bacterial meningitis	59
Beta thalassaemia/hemoglobin E	554
Blattella germanica susceptible to *B. thuringiensis*	422
Brugia pahangi, *B. malayi* hybridization	190
Brugia malayi hybridization	190
Brugia-type microfilaria in Kalimantan	425
Cardiac abnormalities in thalassaemia	414
Cardiac pathology in thalassaemia/ hemoglobin E	554
Cathaemasia cabrerei in man, Philippines	427
Cell-bound haemagglutinin of *Vibrio cholerae*	224
Cell-bound haemagglutinin of *V. cholerae*, antigen	407
Cerebral cysticercosis treatment with praziquantel	201
Cerebral schistosomiasis in Leyte	502
Chemotherapy of schistosomiasis	488
Chiggers and scrub typhus in Northern Thailand	402
Cholecystitis associated with *Enterobacter agglomerans*	270
Circumoval precipitin test for schistosomiasis	488
Clinical study of Indonesian schistosomiasis	507
Clinical study on hepatosplenomegalic schistosomiasis	498
Control of schistosomiasis in Southeast Asia	431
Control programme on schistosomiasis in Leyte	529
Counter-immunoelectrophoresis in bacterial meningitis	59
Cysticercosis, treatment with praziquantel	201
Cytogenetic studies on *Anopheles* in Thailand	536
Dengue-2 antigen, localization	547
Dengue epidemic in Malaysia	51
Dengue hemorrhagic fever, atypical lymphocyte	32
Diarrhoeal diseases, intestinal parasites	385
Diethylcarbamazine, plasma levels	74
Dinobdella ferox infestation	138
Ecology of schistosomiasis in Indonesia	471
ELISA in schistosomiasis	486
Emetine and mebendazole in paragonimiasis	354
Encephalitis, Japanese, interferon *in vitro*	564
Endemic goitre in lowland Burma	217
Enterobacter agglomerans in cholecystitis	270

	Page
Epidemiological aspects of dengue epidemic	51
Epidemiology of *Schistosoma japonicum* infection	506
Epidemiology of schistosomiasis in Malaysia	477
Epidemiology of schistosomiasis in Southeast Asia	431
Erythromycin-rifampicin in gonoccocal urethritis	360
Escherichia coli, antimicrobial resistance	37
Escherichia coli, conjugative R plasmids	37
Evaluation of control measures of schistosomiasis	480
Filariasis, clinical trial of furapyrimidone	287
Filariasis, immunodiagnosis	423
Filariasis in Bengkoka, Sabah	179
Filariasis in Singapore	175
Flaviviruses, effect of interferon *in vitro*	27
Furapyrimidone in filariasis	287
Genetic control of immune responses to *S. japonicum*	518
G-6-PD deficiency in Northeast Thailand	112
Giardia lamblia, hematological profile in children	429
Gonococcal urethritis, treatment with rifampicin-erythromycin	360
Granuloma formation in schistosomiasis	517
Haemorrhagic diphtheria	261
Health status of Indochinese refugees in Japan	209
HLA and filariasis in Sri Lankans	281
HLA antigens and malaria	1
Hookworm anaemia, zinc in the pathogenesis	206
Influenza A in the highlands of Papua New Guinea	265
Interferon on flaviviruses *in vitro*	27
Interferon on Japanese encephalitis virus	564
Intestinal helminthic infections, albendazole	44
Intestinal parasites in pediatric patients	385
In vitro killing of schistosomule by monocytes	516
In vitro testing of interferon on JE virus	564
Japanese encephalitis, interferon *in vitro*	564
Japanese encephalitis virus infections in monkeys	194
Lymphocyte, atypical in dengue haemorrhagic fever	32
Macaca fascicularis infected with *P. cynomolgi*	12
Malaria and HLA antigens	1
Malaysian schistosomiasis in Orang Asli	479
Mansonia larvae control by bio-agents	137
Mansonia sp. bionomics in Sabah	294
Mebendazole in paragonimiasis	354
Molluscicides of plant origin	530
Monoclonal antibodies in tropical diseases research	371
Mosquito fauna of Bengkoka Peninsula, Sabah	19
Nonconjugative R plasmid resistance in *E. coli*	313
Oncomelania hupensis, susceptibility to *S. japonicum*	155
Opisthorchiasis, treatment with albendazole	44
Opisthorchis viverrini, surface tegument	95
Oriental anthropophilic *Schistosoma*	86
Paragonimiasis, treatment with mebendazole	354
Paragonimus ohirai infection in *Oncomelania hupensis*	148
Periplaneta americana susceptibility to *B. thuringiensis*	422

	Page
Peroxidase-antiperoxidase staining	547
Physio-chemical factors in *Schistosoma* infection	254
Plasmodium cynomolgi infection in *M. fascicularis*	12
Plasmodium falciparum, pyrimethamine and sulfadoxine	7
Plasmodium falciparum, mefloquine resistance	531
Plasmodium knowlesi, glomerular filtration rate	364
Praziquantel in cerebral cysticercosis	201
Praziquantel in paragonimiasis	354
Pulmonary paragonimiasis heterotremus	112
Radioisotopic assay for lung granuloma	517
Resistance of reinfection of *S. japonicum*	515
Respiratory syncytial virus in pediatric patients	63
Rifampicin-erythromycin in gonococcal urethritis	360
Rotavirus in pediatric diarrhoea	348
Salmonella, study of blood culture systems	161
Salmonellae in house shrews and rats	326
Schistosoma japonicum complex	523
Schistosoma japonicum infection, praziquantel	498
S. japonicum infection in *Oncomelania hupensis*	155
S. mekongi, cercerial concentration	249
Schistosoma, molluscan hosts	462
Schistosoma sinensium in Chiangmai, Thailand	141
Schistosomiasis among Orang Asli	303
Schistosomiasis in Japan	475
Schistosomiasis in Southeast Asia	431
Schistosomiasis in the Philippines	439
Schistosomiasis research in Malaysia	478
Schistosomiasis research in Thailand	446
Schistosomiasis transmission dynamics	452
SEM studies on Malaysian schistosome	525
Seroepidemiology of schistosomiasis by ELISA	486
Serological aspects of dengue epidemic	51
Serological tests in Malaysian schistosomiasis	479
Snail vectors of anthopophilic *Schistosoma*	86
Socio-economic aspects of schistosomiasis	478
Subcutaneous cysticercosis, treatment with praziquantel	201
Sulfadoxine-pyrimethamine in *P. falciparum*	238
Sulfalene-pyrimethamine in *P. falciparum*	238
Sulfamethoxine-pyrimethamine on gametocytes	323
Susceptibilities of molluscan hosts of *Schistosoma*	462
Systematics and biology of Malaysian *Schistosoma*	462
Taxonomy of molluscan intermediate hosts	462
Tolypocladium cylindrospourm against mosquitoes	331
Toxic shock syndrome in *Staphylococcus aureus* infection	155
Toxoplasma antibodies in Chaing Mai population	80
Toxorhynchites splendens, laboratory observations	337
Tetanus, transplacental immunity	275
Typhoid fever, diagnostic test	317
Vibrio cholerae, characterization of cell-bound haemagglutinins	68
Virological aspects of dengue epidemic in Malaysia	51
Varicella-zoster antibody detection by IAHA test	342
Virus, JE, effect of interferon *in vitro*	564
Wuchereria bancrofti, methods of detection	167
